USE OF EXTRA PLAYERS IN FINALS - (By-Law 21 h)

"That notwithstanding any other provisions of the By-Laws in Junior Finals a team may use eligible registered team members in a direct substitution of up to two (2) players in the last two (2) doubles sets. The players not substituted must remain in their player position."

An Example:

In Mixed Doubles, you could take the number one player listed on the card out of their last doubles set and substitute with a Boy team member in their place. The other players continue playing to the order they are listed on the card. Note: you do **not** move the players around, it is a direct substitution (take a player out, put another eligible player in their place, like when there is an injury).

IF THE MATCH IS DRAWN - (Appendix H{1g})

"In the event of a drawn finals match for Juniors and Seniors (with the exception of the JDC), a ten point advantage tie-break will be played by the last doubles pair named on the scorecard."
