

2021 ASSOCIATIONS JUNIOR LEAGUE – ERT TEAMS

In 2021 ERT has entered 22 teams in the Associations Junior League (AJL) for this coming season. The first day of competition, COVID restrictions allowing, will be Sunday 15 August. Below are the teams, home court venue and Team Managers' details (a couple of them provisional at the moment).

Uniforms

In past years we have had one uniform day, usually for a couple of hours on a Friday evening. However, that involved hundreds of people milling around in a closed room, which is not desirable in current circumstances. Therefore, we will ask you do as happened last year; we will make the sizing chart and order form available on-line, and ask you to forward your orders and payment. The orders will be prepared and made available for collection at a venue and during a time period to be announced. We would ask you to collect your orders as arranged. Should there be a sizing problem, just let us know and we will arrange a substitution. As I say, this worked well last year so we will employ the system again.

The compulsory uniform comprises a shirt and shorts/skort. As an optional extra, there is a hoody available. We do not stock these hoodies as we do the uniforms; rather, we take the orders and payments, then place the orders. The hoodies are \$55 each, and I stress they are optional. It is unlikely they will be ready for the start of the season, but hopefully not too long afterwards.

So, the teams are announced below. Because of Covid restrictions, we could not conduct trials this year, and have had to rely on results in your competitions for grading purposes. Hopefully all applications have been picked up and allocated to a team but let me know if there are any omissions or glaring errors. In previous years there have been shortages of players and teams in the 16 girls and Mixed 18 formats in AJL. Pleasingly, both of those show a return to popularity this year, albeit ERT could only muster a Mixed 18 team comprising 3 boys in the 18 age group and 3 girls in the 16 age group. Neither could have proceeded on their own; fortunately, TV has shown some flexibility in response to our request.
